Impact Support ELP

Be on the lookout for information to be sent out regarding students who need extra support. Here at CTEC, we want to be successful, and there are ample opportunities for students to engage with their teachers to ensure they get the grades they want. All students are encouraged to attend our ELP (Extended Learning Program) after school if they want extra support. Make sure you check your Parent Connect; it will inform you whether your students are still participating in Impact.

General Reminders

No Sweatpants or Pajama pants

Sweatpants and pajama pants are not in dress code at CTEC. The only sweatpants exception is for freshmen or sophomores on PE days. Students will be asked to call home for a change of clothing.

Raising the Bar

Students can stay after school to receive academic support through our Expanded Learning Program or with CTEC teachers. See our Before & After School Schedule [here](#).

Parking Permit

To park on campus, students must complete a parking permit application & provide a copy of their driver's license & car insurance to Ms. Watterson. They will be issued a parking permit and can park on campus when those items are turned in.

Student Drivers

Seniors are the only students allowed to leave campus during lunch if they maintain the required GPA and turn in the necessary paperwork. If your student is driving themselves to an appointment, a parent must call attendance to give permission.

Early Pick up?

Be sure to come to the front office to sign your student out. For safety reasons, we will only release our students to those on their Emergency Contacts list and we ask for identification.

Covid-19

Tests are available for free in the front office for our families. You can pick them up M-F from 8:00 a.m.-4:30 p.m.
