UNIFORM COMPLAINT PROCEDURES**

This administrative regulation establishes the Uniform Complaint Procedures (UCP) to be used to investigate and resolve only complaints specified in Superintendent and Board Policy 1312.3.

**Compliance Officer**

For the purposes of receiving, investigating, and coordinating response to complaints under this administrative regulation and ensuring County Board and County Superintendent compliance with applicable laws and regulations, the County Board and County Superintendent designate the following compliance officer:

Deputy Superintendent, Educational Services  
Fresno County Office of Education  
1111 Van Ness Avenue  
Fresno, California 93721-2000  
(559) 265-3090

In no instance shall a compliance officer be assigned to a complaint in which the compliance officer has a bias or conflict of interest that would prohibit the fair investigation or resolution of the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the County Superintendent or designee who shall determine how the complaint will be investigated.

County Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program, applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), applicable standards for reaching decisions on complaints, and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the County Superintendent or designee.

The compliance officer or, if necessary, any appropriate administrator shall determine whether they believe interim measures are necessary during and pending the result of an investigation. If they believe interim measures necessary, the compliance officer or the administrator shall consult with the County Superintendent or the County Superintendent's designee regarding the potential implementation of one or more interim measures. If interim measures are determined to be necessary by the County Superintendent or the County Superintendent's designee, the interim measures shall remain in place until the County Superintendent or the County Superintendent's designee determines that they are no longer necessary or until the issuance of the final written decision, whichever occurs first.

#### Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, County Superintendent staff shall assist in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging County Board or County Superintendent violation of applicable state or federal law or regulations governing the programs specified in the accompanying Superintendent and Board policy may be filed by any individual, public agency, or organization (5 CCR 4630)

---

FRESNO COUNTY SUPERINTENDENT OF SCHOOLS

3. A UCP complaint shall be filed no later than one year from the date the alleged violation occurred. For complaints related to the LCAP, the date of the alleged violation is the date when the County Board approves the LCAP that was adopted by the County Superintendent
4. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges having personally suffered unlawful discrimination, a person who believes that any specific class of individuals has been subjected to unlawful discrimination, or a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying. The complaint shall be initiated no later than six months from the date that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the County Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension (5 CCR 4630)
5. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation
6. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the County Superintendent's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the County Superintendent shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request

Mediation

The compliance officer, in consultation with County Superintendent or designee, decides whether to utilize an alternative method for resolving the allegations in a complaint, including, but not limited to, mediation. If the parties agree and an alternative method is used, the compliance officer shall establish a timeline that does not exceed the time period allowed for investigating and resolving the complaint by County Superintendent or County Board. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate.

If mediation is used, County Superintendent shall pay for the services of the mediator. The compliance officer shall provide the mediator with copies of all relevant policies and administrative regulations and applicable laws and regulations. The compliance officer shall be

**FRESNO COUNTY SUPERINTENDENT OF SCHOOLS**

responsible for designating which County Superintendent staff shall participate in the mediation on behalf of County Superintendent.

If mediation is to be used for a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), before initiating the process, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If an alternative method does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of all unresolved issues subject to these Uniform Complaint Procedures. The use of mediation shall not extend the timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If an alternative method of resolution is successful and the complaint is withdrawn, then the County Board and County Superintendent shall take only the actions agreed upon through the alternative method. If the alternative method is unsuccessful, the compliance officer shall then continue with subsequent steps specified in this administrative regulation.

**Investigation of Complaint**

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

The compliance officer may assign portions of the investigation to other County Superintendent staff but shall not delegate primary responsibility for conducting and coordinating the investigation and issuing the investigation report. Furthermore, the compliance officer shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs they are assigned to investigate and the requirements of this administrative regulation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer, or designee, shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer, or designee, shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and

**FRESNO COUNTY SUPERINTENDENT OF SCHOOLS**

in a confidential manner. Investigation of discrimination complaints shall be conducted in a manner that protects confidentiality of the parties and maintains the integrity of the process. Appropriate disclosure will vary in each case depending on the facts and circumstances. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide County Superintendent's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide County Superintendent's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the County Board and/or County Superintendent shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the County Board or County Superintendent to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

**Timeline for Investigation Report**

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written investigation report, as described in the section "Investigation Report" below, within 60 calendar days of the receipt of the complaint. (5 CCR 4631)

For any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent shall be informed of any extension of the timeline agreed to by the complainant. The respondent also shall be sent the investigation report at the same time it is provided to the complainant.

**Investigation Report**

For all complaints, the investigation report shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered
2. A conclusion providing a clear determination for each allegation as to whether the County Board and/or County Superintendent is in compliance with the relevant law
3. Corrective action(s) whenever the compliance officer finds merit in the complaint, including, when required by law, a remedy to all affected students and parents/guardians and, for a student fees complaint, a remedy that complies with Education Code 49013 and 5 CCR 4600

**FRESNO COUNTY SUPERINTENDENT OF SCHOOLS**

4. Notice of the complainant's right to appeal the investigation report to CDE, except when the UCP was used to address a complaint not specified in 5 CCR 4610
5. Procedures to be followed for initiating an appeal to CDE

The investigation report may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with County Superintendent's legal counsel, information about the relevant part of an investigation report may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the investigation report shall also be translated into that language. In all other instances, County Superintendent or designee shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the investigation report shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of County Superintendent and County Board complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with the CDE (Education Code 262.3)
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at [www.ed.gov/ocr](http://www.ed.gov/ocr) within 180 days of the alleged discrimination

**Corrective Actions**

When a complaint is found to have merit, the compliance officer may adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or County environment may include, but are not limited to, actions to reinforce Superintendent and Board Policy; training for faculty, staff, and students; updates to school policies; or school climate surveys.

**FRESNO COUNTY SUPERINTENDENT OF SCHOOLS**

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law
7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the County Superintendent shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and applicable collective bargaining agreement.

The County Superintendent may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of

**FRESNO COUNTY SUPERINTENDENT OF SCHOOLS**

behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the County Board and County Superintendent do not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes, courses without educational content, or any requirement related to the LCAP is found to have merit, County Superintendent or designee shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, County Superintendent or designee shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

**Appeals to the California Department of Education**

Any complainant dissatisfied with an investigation report on a complaint regarding any specified federal or state educational program subject to UCP may file an appeal in writing with CDE within 30 calendar days of receiving the investigation report. (5 CCR 4632)

The appeal shall be sent to CDE with a copy of the original locally filed complaint and a copy of the investigation report for that complaint. The complainant shall specify and explain the basis for the appeal, including as least one of the following: (5 CCR 4632)

1. The County Superintendent or County Board failed to follow its complaint procedures
2. Relative to the allegations of the complaint, the County Superintendent's or County Board's investigation report lacks material findings of fact necessary to reach a conclusion of law
3. The material findings of fact in the County Superintendent's or County Board's investigation report are not supported by substantial evidence
4. The legal conclusion in the County Superintendent's or County Board's investigation report is inconsistent with the law
5. In a case in which the County Superintendent or County Board found noncompliance, the corrective actions fail to provide a proper remedy

Upon notification by the CDE that the an investigation report has been appealed, the County Superintendent and/or County Board or designee shall forward the following documents to CDE within 10 days of the date of notification: (5 CCR 4633)

---

---

FRESNO COUNTY SUPERINTENDENT OF SCHOOLS

4. A report of any action taken to resolve the complaint
5. A copy of the County Superintendent's and County Board's UCP
6. Other relevant information requested by the CDE

If notified by CDE that the investigation report failed to address allegation(s) raised by the complaint, the County Superintendent or County Board shall, within 20 days of the notification, provide CDE and the appellant with an amended investigation report that addresses the allegation(s) that were not addressed in the original investigation report.
