In response to feedback from the Parent Advisory Council (PAC) and the Student Advisory Board (SAB), CTEC has crafted an Arts plan tailored to meet community input. This plan prioritizes the acquisition of screen-printing manufacturing equipment, aligning with students' adeptness in Adobe Illustrator. These resources will facilitate the integration of manufacturing skills with Graphic Design and Arts standards, enriching the educational experience. Additionally, 24-25 ongoing funds will be allocated to hiring additional paraprofessional staff, ensuring students have greater access to arts education and equipment. Through this strategic approach, CTEC aims to maximize the impact of the Arts grant funds while honoring the valuable insights provided by its Educational Partners.
